

Gold Coast Health School-Based Traineeship Program

Gold Coast Health is excited to announce it's now accepting Expressions of Interest (EOI) for its' school-based traineeship program commencing June 2024.

Students who are invited to participate in this program will have an opportunity to complete a 12-month traineeship with Gold Coast's largest employer. They will be able to select from three traineeship opportunities across the health service and receive support from all the wonderful staff, as well as high-end training support from selected RTOs.

- **Allied Health:** Gold Coast Health Allied Health workers are well placed to contribute to the organisation's vision to have the best health outcomes in Australia. Allied Health trainee's will learn to support clinical staff across a wide range of professionals including Podiatry and Speech Pathology Dietetics.
- **Administrative:** The administration division supports a wide range of clinical and non-clinical services across the GCHHS. Opportunities include executive and team support officers, ward reception, general reception, IT support, human resources support, finance support, mailroom, switchboard phone rooms and more.
- **Dental:** Working as part of the dental team, trainee dental assistants observe and learn to provide efficient, high quality dental assistance to eligible patients and instrument reprocessing services within Oral Health facilities across the GCHHS.

To apply, scan the following QR code and register with MEGT's Career Hub. Upload the candidate profile on the back of this form as either your resume proceed to apply for the particular opportunity you are interested in. Please note that students **MUST** lodge an application against their chosen vacancy to be considered for these opportunities.
